

On the Same Page 2011-2012 – Manitoba Reads

About the Program

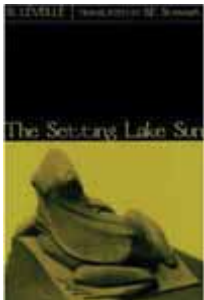

On the Same Page is a province-wide reading initiative that encourages all Manitobans to read and talk about the same book at the same time. The shared experience of reading the same book and participating in events brings readers together to discuss and debate issues and themes identified in the novel, creating opportunities for personal and creative expression.

The annual program was launched by The Winnipeg Foundation in 2008 and is now run in partnership with [Winnipeg Public Library](#). The program highlights and promotes Manitoba writers. On the Same Page is not just a big book club. The idea is to make the book come alive through shared experiences with others.
